## Professional Summary

---

Technology graduate with a **B.Tech in Computer Science and Engineering (2025)** and strong foundations in **Java, SQL, and Full Stack Development**. Experienced in **quality assurance, data analysis, and process improvement** through industry internship experience. Demonstrated ability to **analyze problems, develop technical solutions, and collaborate with diverse teams**. Passionate about leveraging **digital technologies and innovation** to solve real-world challenges and contribute to impactful global organizations.

## Education

---

|                                            |           |
|--------------------------------------------|-----------|
| <b>Academy of Technology, Hooghly</b>      | July 2025 |
| B.Tech in Computer Science and Engineering |           |
| <b>Bharati Bhaban High School, Katwa</b>   | June 2021 |
| Higher Secondary (WBCHSE)                  |           |
| <b>Kashiram Das Institution, Katwa</b>     | May 2019  |
| Secondary (WBBSE)                          |           |

## Professional Experience

---

|                                              |                     |
|----------------------------------------------|---------------------|
| <b>Quality Assurance Intern</b>              | Dec 2025 – Mar 2026 |
| <i>Eloelo (Greenhorn Wellness Pvt. Ltd.)</i> |                     |

- Evaluated and validated **high-volume conversational AI datasets** to improve chatbot response accuracy and user experience.
- Conducted **content analysis and issue tagging** to identify inaccuracies, repetition, and quality gaps in chatbot responses.
- Collaborated with **cross-functional teams**, including operations and product teams, to enhance quality standards.
- Maintained **high accuracy in QA reporting** while meeting strict project delivery timelines.
- Contributed insights to improve **customer interaction quality and operational efficiency**.

|                                                                     |                     |
|---------------------------------------------------------------------|---------------------|
| <b>Salesforce Developer Virtual Internship</b>                      | Jul 2024 - Aug 2024 |
| <i>SmartBridge – Smart Internz (AICTE &amp; Persistent Systems)</i> |                     |

- Analyzed **customer requirements and CRM workflows** to improve service management processes.
- Implemented **automation workflows** that improved efficiency and reduced manual processing time.
- Built solutions using **Apex, Lightning components, and Salesforce data models**.
- Gained practical exposure to **enterprise systems, digital transformation tools, and cloud-based CRM platforms**.

# Technical Skills

---

**Programming:** Java, SQL  
**Web Development:** HTML, CSS, JavaScript, React.js, Node.js  
**Databases:** MySQL, MongoDB  
**Tools & Platforms:** Git, GitHub, Salesforce, Postman, MS Excel, Google Workspace  
**Concepts:** Data Structures, OOP, DBMS, SDLC, Debugging  
**Professional Skills:** Analytical Thinking, Problem Solving, Adaptability, Team Collaboration, Continuous Learning

# Projects

---

## Doctor Appointment Booking System (MERN Stack) [Project Link](#)

- Developed a **full-stack healthcare appointment platform** enabling patients to schedule consultations with doctors online.
- Implemented secure authentication, appointment scheduling, and role-based dashboards for doctors and patients.
- Designed REST APIs and integrated **MongoDB database for efficient data management.**

## ATM Simulator System [GitHub Link](#)

- Developed a desktop-based banking simulator supporting authentication, withdrawal, deposit, and balance inquiry operations.
- Implemented using **Java, Swing, and file handling** with modular object-oriented architecture.

## Hotel Reservation System [GitHub Link](#)

- Designed a reservation system to manage **customer records, room availability, and booking operations.**
- Integrated **JDBC database connectivity** for persistent storage and efficient data retrieval.

# Certifications & Achievements

---

|                                                                                                                                                                            |                                 |
